

The Power to Surprise

Kia Motors Corporation (www.kia.com), a maker of world-class quality vehicles for the young-at-heart, was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 3 million Kia vehicles a year are produced at 14 manufacturing and assembly operations across five countries. They are then sold and serviced through a network of distributors and dealers from around 180 countries. Today, Kia has over 50,000 employees worldwide and an annual revenue of nearly US\$44 billion. It is a major sponsor of the Australian Open and the official automotive partner of FIFA – the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan, "The Power to Surprise", represents the company's global commitment to surprising the world by providing exciting and inspiring experiences that go beyond expectations.

CARENS

The Power to Surprise

Image used is for illustration purposes only.

The New **CARENS**

Who said that a multi-purpose family vehicle has to sacrifice style and excitement in order to deliver the space and practicality needed for today's hectic lifestyles?

With thoroughly contemporary and distinctive European styling coupled with maximum versatility and cutting-edge safety and convenience features, the new Carens is ready to shake up the compact MPV segment. It's a truly innovative family car created with the demands of modern living in mind while also adding a dash of spice to your life.

practicality & fun

FAMILY

You work hard for a brighter future, so you deserve a vehicle that allows you to enjoy precious moments with family. The new Carens will help you discover those gratifying times of leisure that are often lost amidst the burgeoning cityscape. Let the new Carens be a part of family memories that will last a lifetime.

Cool and chic in the city

Sporty, stylish and sophisticated. These are words not usually associated with an MPV. But the new Carens brings a whole new level of design to the segment and feels right at home whether parked in your driveway or in the trendiest part of town.

King of the concrete jungle

Need an occasional break from the hustle and bustle of city life? Lose yourself in the elegant refinement and state-of-the-art technologies the new Carens has to offer. Your daily work commute, trip to the market or movie night out with the kids can now be made in ultimate comfort and style.

Because you're the one in control

An ergonomically designed cockpit puts priority on driver comfort and intuitive, fingertip operation of the new Carens' numerous high-tech features, while the low positioning of the windscreen base and wide, sweeping dashboard design ensure excellent visibility of the road ahead.

A showcase of cutting-edge technology

Step inside and discover a world of high-tech driver convenience features rarely seen in vehicles within the same segment. With controls and information displays that have been positioned intuitively, the Carens raises the bar with an all-new level of sporty sophistication.

Steering wheel remote control

Conveniently positioned buttons and switches give you full reign over audio, Bluetooth hands-free and auto cruise control functions. The Flex steer system also provides you with three steering modes for different conditions: Comfort, Normal, and Sport.

Dual-zone full auto climate control

Separate temperatures can be set according to driver's and front seat passenger's preferences, while the clean air system generates cluster ions to purify and deodorize the cabin air. Adding a touch of convenience, the auto defogging system detects when condensation is formed on the inside of the windscreen and automatically defogs the glass for optimal visibility.

Aux, iPod®, USB connections

Connectivity to virtually any portable music storage device allows you to enjoy your entire digital music collection while on the road.

Auto light control

Enjoy fingertip operation of the headlamps, high beam, front and rear fog lamps and turn signal, while the auto function frees you from the hassle of switching your headlamps off and on.

LED daytime running lights

Turn heads on the roads with lights implemented for enhanced style and safety.

A haven of roominess and comfort

The flexibility in seat arrangement is perfect for any kind of road trips. The middle three individual seats can be reclined and folded individually in a 33:33:33 ratio while third-row seats can do the same in 50:50.

Interior images used are for illustration purposes only.

Black Both traditional and strikingly modern at the same time, the all-black colour scheme is sure to never go out of style.

Black Leather

Whether transporting materials for a DIY project or taking work home, configuring your vehicle's seats has never been so easy, nor so flexible.

Smart space for the CITY

for me
1st row partial and
2nd & 3rd row full folding

For my spouse
2nd and 3rd row full folding

Smart space for the OUTDOORS

Live life to the fullest thanks to a level of cargo and passenger seating versatility that will push the limits of your imagination.

For the family
2nd row partial and
3rd row full folding

For the kids
Seating for 7 people

Sit back, relax and enjoy the ride

The seats found in the new Carens have been engineered for maximum versatility and ride comfort. Innovative technologies applied to driver's and passenger's seats make even the longest journeys seem like a quick trip around the corner.

Electric powered lumbar support (SX only) The back cushion of the driver's seat provides additional support with the touch of a button, to ensure maximum comfort and minimal fatigue on long trips.

Passenger seatback folding The back cushion of the front passenger seat can be folded forward to create additional space for longer items.

Sporty bucket seats

The driver and 1st row passenger seats feature a sporty yet functional design that provides ample lumbar and thigh support while accentuating the modern feel of the cockpit.

Ventilated seats (SX only)

Cool air is channeled and discharged through both driver's and front passenger's seats via inner-mounted air ducts to prevent perspiration in hot weather.

Seat cushion extension (SX only) Especially welcomed by long-legged drivers, the bottom cushion of the driver's seat can be electronically extended forward for optimal driving comfort.

10-way power adjustable driver's seat (SX only) Adjust your seat conveniently with the electronic controls to easily find the most ideal driving position.

2nd row sliding and 33:33:33 split folding The 2nd row seats offer full-flat folding for maximum cargo hauling versatility while the 7 seat version adds a forward and backward sliding function for maximum passenger comfort.

Premium quality upholstery The materials used in the new Carens' seats were carefully selected to add to the luxurious feel of the cabin.

confident & efficient

PERFORMANCE

On the road is where the new Carens' technological prowess truly shines through. Pushing the limits of what you've come to expect from a compact MPV are a host of advanced features that put the new Carens at the head of the pack when it comes to safety, drivability and eco-friendliness.

Rear parking sensors

The rear parking sensors alert you to any obstructions while parking via an audible signal that increases in intensity as your vehicle gets closer to a nearby obstruction.

Image used is for illustration purposes only.

Uncompromised safety for peace of mind

The well-being of you and your family is our top priority, and the new Carens takes occupant protection to a whole new level with innovative technologies rarely seen in the compact MPV segment. Our engineers have conducted countless computer simulations and actual crash tests so that your sole focus can be on enjoying the drive.

ESC (Electronic Stability Control)

ESC is an active safety feature that provides optimised braking and engine torque control by monitoring individual wheel speed, steering angle and skidding.

Safety power windows

All windows feature a mechanism that automatically stops them from closing when an obstruction is detected.

6-airbag system

Driver, passenger, front side and curtain airbags help minimise the risk of serious injury as the final line of defence in the event of a collision.

U2 1.7 Diesel Engine

Max Power: 141ps@4,000rpm

Max Torque: 340Nm@2,500rpm

The technologically advanced variable geometry turbocharged engine delivers a clean, quiet, and fuel efficient drive while maximising torque and power.

Frugal on fuel, generous on performance

The Kia Carens is optimised for true driving pleasure with fuel-sipping and CO2-cutting technologies that do not compromise on power and performance.

7-Speed DCT (Double-Clutch Transmission)

A new concept of transmission equipped with the cutting-edge DCT technology that offers the best of both worlds in terms of dynamic shifting speed and cost-savings through superior fuel efficiency, assuring you with a fully satisfying driving experience all around.

7-speed DCT

This independently developed gearbox features a lightweight, compact design that offers quicker shift times and durability while also boosting fuel economy and acceleration.

Active ECO System

A standard feature with the 7-speed DCT, the Active ECO System automatically optimises the engine and transmission control systems to reduce fuel consumption.

Organ-type accelerator pedal

The organ-type accelerator pedal moves along the same natural plane as your foot for more comfortable operation, especially on extended journeys.

A perfect fit for your lifestyle

Whether at work or at play, the new Carens is the ideal companion for getting the most out of your daily life. Never before has a compact MPV offered so much versatility, comfort and convenience – all wrapped up in a thoroughly modern and stylish package.

Image used is for illustration purposes only.

Every creature comfort imaginable

We believe that the true measure of a groundbreaking car can be found in the details. We're sure you'll be pleased to discover the numerous delightful surprises in every nook and cranny of the Kia Carens.

Image used is for illustration purposes only.

Spacious cargo room A walk-in sliding function on the second-row seats enables occupants to access the third row with a light touch of a lever, while the flat-folding configuration provides expansive space for all types of cargo.

Centre console Two drinks can be securely stored within easy reach while a centre fascia undertray and large storage compartment under the centre armrest provide plenty of space for storing personal items.

Cargo security screen Create a separate partitioned-off space at the rear of the vehicle to stow any personal belongings that you want to hide from prying eyes.

Flexible seating arrangement. Enjoy ample head and leg space that seats seven comfortably. The second row consists of three individual seats, giving greater comfort and flexibility.

Fold-up tray The backs of both driver and front passenger seats are fitted with convenient trays that feature an additional cup holder for extra convenience of the 2nd row seat occupants.

Rear air ventilation Back seat passengers can also enjoy warm or cool air circulation thanks to rear air vents positioned at the back of the centre console.

Rain sensor The windscreen wipers are automatically activated as soon as moisture is detected for greater convenience and visibility.

Auto defogging system A sensor automatically initiates a defogging process when condensation is detected on the windows to ensuring optimal visibility in humid climates.

Remote keyless entry system
The smart key unlocks the doors as soon as you touch the door handle so that you never have to worry about fumbling around for keys.

Opposed-type wiper system Unlike conventional wiper systems, the wiper blades are mounted on opposite sides of the windshield and move in the opposite direction for maximum visibility even in heavy rain and snow.

Rear spoiler with high-mounted stop lamp The rear spoiler adds a sporty touch to the exterior design while a high-positioned stop lamp ensures that you are clearly visible to drivers behind.

Outside door handle Classic look with a chrome-finished handles.

Fog lamps The fog lamps are stylishly integrated with the air intake of the front bumper using black housing to accentuate the car's athletic stance.

Side mirror Wing-type electric folding two-tone side mirrors feature LED turn signal lamps and puddle lamps for added safety and convenience.

BODY COLORS

Choose from eight stylish yet timeless exterior colors that truly show off the new Carens’ striking design cues.
